

Lesson 5: 6th and 7th Commandments

Video preparation

Watch [Pastor Brett Simek](#) discuss the 6th and 7th Commandments with your child BEFORE he or she attends class. Work through the questions together.

After you have watched this video together, discuss the target questions for this lesson:

What is chastity?

What is property?

Discuss these questions with your child AFTER confirmation class.

In what ways can your child, even as a teenager, protect his or her future family? In what ways can you as his or her parent help with this goal?

Your child learned that the 7th Commandment is not only about not stealing, but it is also about improving the possessions of our neighbors. Discuss with your child a time that you (or they) have been neglectful by not helping to improve their neighbors possessions. This can include an individual neighbor or something like neighborhood, school or church property.

We are taught that we are to help our neighbor in EVERY physical need. Talk with your child how you handle a situation where you are unable to help a neighbor, especially in cases where safety is an issue.

- You may wish to discuss how even though we are called to help, for example, our neighbors on the street, we are also called to help and protect our children and families who are also our neighbors. We must weigh the safety of our families to the help that we are able to give.
